Dear Armed Forces Families Foundation Board Members,

We wanted to thank you for your very generous donation to the 2012 South Florida Army Ball. We would like to extend an invitation for members of your foundation to join us as our guests and look forward to sharing the evening with our partners.

This year we are celebrating the 237th Birthday of the United States Army with the annual South Florida Army Ball. We will be celebrating "America's Decisive Force Through History" and the ball will be held on June 9th, 2012 at the Hard Rock Hotel in Hollywood, Florida. This year's event will be highlighted by hearing the inspirational story of Colonel Greg Gadson, U.S. Army Wounded Warrior and Motivational Speaker.

We are an Army at war and opportunities to spend time with each other and our civilian counterparts celebrating the history and tradition of our Service do not come often enough. We are very excited to be able to set aside an evening to celebrate our Soldiers and their families and recognize the sacrifices they make for their country every day.

Please let us know how we can assist in securing seats for your foundation members and we look forward to seeing you at the ball.

Your generosity is tremendously appreciated. If you have any questions, you may contact us at 305-437-1466.
